PTA NOTES AND NEWS

The calendar says December, but the temperatures say otherwise – at least on some days. But rest assured, it is December, and Winter Break is just around the corner! Before that happens, we have lots of activities and celebrations to keep the students and parents busy this month. We have already had a visiting author, Cynthia Lord, come to Sangster this month, your students will soon enjoy their classroom winter parties, and the chorus and hand bell ensemble will provide a concert. It's a busy time at our school!

“... we have lots of activities and celebrations to keep the students and parents busy this month.”

A very big THANK YOU goes out to all of our wonderful volunteers who helped serve, clean, and count tickets and money during Thanksgiving lunches for the students and their families. It was a great week with a lot of smiles and proud Sangster students. We had even more volunteers working at the Book Fair that the children enjoyed after their Thanksgiving lunches. The students were busy browsing and shopping with their family and guests. We appreciate the many hours of work it took to make it a great week!

The Sangster generosity continued with

relief efforts for Hurricane Sandy victims in New Jersey. With your donations, we were able to fill an entire moving truck with items like clothing, shoes, diapers, gifts and pet treats. That truck was a welcome sight to the shelter in New Jersey, and we appreciate your participation in that effort. Having the donations in the school's front entryway was especially important, because the students were able to see the project, ask questions and participate by turning in the donated items to each

box. Thank you for your support of this important project.

If you have any shopping to do this month, don't forget about our Amazon link on the [PTA Web site](#). Sangster gets a percentage of the sales, so as you're filling that shopping cart, know that a portion of your transaction will benefit our school.

Whether staying at home during the Winter Break or enjoying some travel days, stay safe, happy and healthy. We wish everyone Happy Holidays and look forward to seeing you in the New Year!

Season's Greetings!

As the weather begins to turn cold, the excitement of winter break begins to build in the school. This time of year is always fun for the entire school community. It begins with a brilliant turnout for our annual Thanksgiving lunches and continues with 4th grade's Colonial Day. We look forward to fun-filled days of learning of course but also classroom celebrations. Many families will be traveling this holiday season and throughout the winter for a variety of reasons. Family vacations are certainly very valuable and a wonderful time, and we appreciate those families who have notified us of their students' absences – please know that we do not ask teachers to provide work for students who take

extended trips. Instruction is based off of the mastering of skills, and the timeframe can change based on how students respond to instruction; moreover, most instruction needs to be in the classroom. We ask that students who go on extended trips continue to read nightly and keep a trip journal – this keeps them actively involved with literacy skills. To reinforce math skills, review basic addition, subtraction and multiplication facts. For lower-grade students, have them help count out money when paying in cash or have them make change. Encourage upper-grade students to spend wisely – give them a set amount of money and have them budget for their wants. Most certainly, we want them to enjoy the quality time with their families. During the school day, if you are checking

your student out early, please remember that you must sign him/her out before 3:30 – thank you!

Students' last day of school before the Winter Break is Friday, Dec. 21, which is a full day of school. Students will return on Wednesday, Jan. 2. Sangster's main office will be closed during the winter break.

As we get closer to the dark, cold days of winter, please pay close attention to the weather – if there is a chance of snow or ice, watch your local news for school closings and delays.

We hope everyone has a wonderful holiday season filled with lots of family, friends and good fun! Best wishes and Happy Holidays!

2012-13 REFLECTIONS PROGRAM: "THE MAGIC OF A MOMENT"
