committee and she was approved.

• Club Rules and Regulations

There have been some changes at FCPS in community use. PTA is putting together clear guidelines for PTA clubs. There will be a PTA club coordinator to handle clubs, paperwork, and be sure that they are following the guidelines. Christine Moniz will be the new club coordinator. Present PTA clubs need to fill out their forms by July 1st. New clubs will be voted on by the PTA general membership after board approval. Clubs that meet in the morning must be out of the building by 8:50am. Clubs that meet in the afternoon cannot enter the building until school is dismissed. Clubs may only meet in the designated spaces and clubs must use the appropriate forms for reimbursement.

• DOGS Update from Karen Horvath. It sounds like a great program to get dads involved in the school and we are still figuring out the logistics. We hope to push it forward in late fall or winter.

• We are looking at replacing the furniture in the lobby. We have a quote on the cost and will continue to plan for purchasing new furniture for the fall.

Principal Update

Lisa Reddel

Staff members are coming and going and we continue to have a wonderful, dedicated staff. Ms. Newton is moving to Orange Hunt. A new P.E. teacher has already been hired. It has been an unusual year with lots of changes and maternity leaves. New high quality teachers have already been hired for other open positions as staffing is a months long process. There will be a new assistant principal while Mrs. Redford is returning to her AART position and will serve as an administrative intern. For all the details of staff comings and goings see the information sent home in Thursday folders. It's a great end of the year!
